**GROWTH & EXPANSION IN AIRFREIGHT LEADS TO NEW JFK OFFICE OPENING  
FOR LAUFER GROUP INTERNATIONAL**

**New York, NY (August 5, 2013)** – Laufer Group International is pleased to announce that it has expanded its network by opening its own JFK office in New York, effective August 5, 2013.

The newly opened JFK branch will service customers for both ocean and air and will be reporting to Martin Karczewski, Director of Operations. The New York airfreight team, formerly stationed in the company's headquarters on Vesey Street in downtown Manhattan, will now be located in the JFK facility. As the company continues to increase its visibility in the airfreight market, a new office at JFK is necessary to facilitate the growth of the company's customer base.

**Office details are as follows:**

372 Doughty Blvd - Suite 250  
Inwood, NY 10096  
Phone: (718) 304-1230  
Fax: (718) 304-1231

Contact:  
Alex Baes, Operations Manager  
Direct: (646) 738-8798  
Email: [abaes@laufer.com](mailto:abaes@laufer.com)

The JFK office marks the 12<sup>th</sup> US office for Laufer Group. Earlier in the year, the company opened its 11<sup>th</sup> office in Memphis, TN.

*Laufer Group International Ltd. has established a complete logistics and service platform from which it provides its customers improved shipping flexibility, enhanced operational control, and exceptional visibility tools. The company's mission to 'Deliver Integrity' continues to be evident in its customer centric and solutions based approach. Laufer Group is headquartered in New York City with offices in Atlanta, Boston, Chicago, Kansas City, Long Beach, Memphis, Norfolk, Phoenix, San Francisco & Seattle.*
